

To get started, **download**
the SMART kapp™ app.
smartkapp.com

Once you have the app, connect
your device by **scanning** the
QR code (iOS) or **tapping** the
NFC tag (Android)

Now you can **write** on the
board and it will **appear**
like magic on your device.

To **save snapshots** of work
to your device, simply
tap the icon.

Invite remote participants to view
the board notes in real-time by
tapping the share icon.
